Abbreviation	Description
MINISTRY OF INDUSTRY AND MINERAL RESOURCES	MINISTRY OF INDUSTRY AND MINERAL RESOURCES and all affiliated entities
PII	Personally Identifiable Information
NCA	National Cybersecurity Authority
IP	Internet Protocol
ID	Identity

1. Introduction

- 1.1 The privacy of Data Subjects' PII is a fundamental component of data protection at MINISTRY OF INDUSTRY AND MINERAL RESOURCES Saudi Arabia 2020 and all affiliated entities (hereinafter referred to as 'MINISTRY OF INDUSTRY AND MINERAL RESOURCES'). It is intended to enable protective measures and controls to reduce the risk of data disclosure, data exfiltration, unauthorized access, alteration, tampering, corruption or falsification.

2. Key Terms

Term	Description
Data Subject	An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person (including MINISTRY OF INDUSTRY AND MINERAL RESOURCES's employees and beneficiaries).
PII	Any information relating to an identified natural living person or to a natural living person who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, ID number, location data, IP address or other online identifiers or to one or more other factors specific to the person's identity.
Processing	Any operation or set of operations performed on PII or on sets of PII, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.
Controller	MINISTRY OF INDUSTRY AND MINERAL RESOURCES's department or employee that determines the purposes and means of the processing of PII.

3. Purpose

- 3.1 This policy directive describes the measures taken by MINISTRY OF INDUSTRY AND MINERAL RESOURCES to protect the privacy of its employees and beneficiaries' (data subject) Personally Identifiable Information (PII).

4. Scope

- 4.1 This policy is applicable to all MINISTRY OF INDUSTRY AND MINERAL RESOURCES's systems, equipment, staff, and third parties who are employed by MINISTRY OF INDUSTRY AND MINERAL RESOURCES whether directly or indirectly.

Document Classification: external

5. Policy

5.1 General Policy Statements

- 5.1.1 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall determine and documents applicable privacy laws and regulations. Also, MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall monitor any changes or updates regarding the applicable privacy law and regulations to reflect it on its privacy policy, notice and practices.
- 5.1.2 Unless it is necessary for a valid reason in the Saudi Law, explicit consent shall be obtained from a data subject to collect and process their data.
- 5.1.3 PII shall be processed lawfully, fairly, and transparently concerning the data subject.
- 5.1.4 Data privacy controls and mechanisms shall be implemented and enforced including pseudonymization, encryption, masking and tokenization.
- 5.1.5 Data privacy control mechanism should be (including and not limited to); as the technical choice of protection will be assessed by MINISTRY OF INDUSTRY AND MINERAL RESOURCES data and cybersecurity department.
- 5.1.6 MINISTRY OF INDUSTRY AND MINERAL RESOURCES PII Sources:
 - 5.1.6.1 Direct from data Subject with his/her consent.
 - 5.1.6.2 Indirect, and MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall inform data subject within one month.
- 5.1.7 Data Subjects' PII shall be protected (during its identification, Transferring, processing and destroying).
- 5.1.8 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall determines, documents and approve PII inventory for which PII is collected, used, processed, and shared, (if there was no purpose there should not be any collection for PII) that illustrate:
 - 5.1.8.1 The category of needed PII
 - 5.1.8.2 Business needs and the purpose(s) for each PII category
 - 5.1.8.3 PII retention time

- 5.1.8.4 The recipients or categories of recipient to whom the personal data have been or will be disclosed
- 5.1.8.5 PII source details if PII were not collected from the data subject directly,
- 5.1.9 Data Subjects' PII shall be stored, processed or transmitted in a manner that is accurate, adequate, relevant and limited to what is necessary and according to business needs and PII retention that was defined in data subject's consent and privacy notice.
- 5.1.10 PII shall not be used for testing, training, and research Purposes.
- 5.1.11 Data Subjects' PII shall be regularly reviewed and deleted based on business needs or PII retention that was defined in data subject's consent and privacy notice.
- 5.1.12 Periodic data privacy assessments of PII shall be performed.
- 5.1.13 Data shall be hosted as per NCA regulations to be within Saudi Arabia. Within MINISTRY OF INDUSTRY AND MINERAL RESOURCES servers, or other government agency related to MINISTRY OF INDUSTRY AND MINERAL RESOURCES or in an authorized Cloud service provided.
- 5.1.14 PII relating to criminal convictions and offences or related security measures shall be processed only under the control of official authority.
- 5.1.15 Processing of personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation shall be prohibited.
- 5.1.16 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall store and process PII only inside Kingdom of Saudi Arabia and enforce that in third parties contracts or related documents, and when MINISTRY OF INDUSTRY AND MINERAL RESOURCES need to share PII with another entity outside the kingdom it shall seek National Data Management office approval .

5.2 Protection of PII

- 5.2.1 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services.
- 5.2.2 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall ensure ability to restore the availability and access to personal data in a timely manner in the event of a physical or technical incident.

Document Classification: external

- 5.2.3 MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall regularly test, assess and evaluate the effectiveness of technical and organisational measures for ensuring the security of the processing.
- 5.2.4 PII shall be collected for specified, explicit, and legitimate purposes and not further processed in a manner that is incompatible with those purposes. Further processing for archiving, public interest, scientific or historical research, or statistical purposes shall be consistent with the initial purposes.
- 5.2.5 PII shall be adequate, relevant, and limited to what is necessary for the purposes for which it is processed.
- 5.2.6 PII shall be accurate, appropriate, and kept up to date. Reasonable steps shall be taken to ensure that inaccurate PII concerning the purposes is erased or rectified without delay.
- 5.2.7 PII shall be kept in a form which permits the identification of data subjects for the time necessary for the purposes of processing PII.
- 5.2.8 Appropriate security controls shall be implemented to protect PII against unauthorized or unlawful processing and accidental loss, destruction or damage, using appropriate technical or organizational measures.
- 5.2.9 If PII is obtained from sources other than the data subject, the data subject shall be informed and MINISTRY OF INDUSTRY AND MINERAL RESOURCES Privacy notice should be sent to him/her too.

5.3 Data Subject Rights

- 5.3.1 Where a data subject exercises a right under applicable privacy law, MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall respond by taking any action required by the relevant privacy law, unless the request is obviously unfounded or excessive. MINISTRY OF INDUSTRY AND MINERAL RESOURCES shall take the relevant action within one month of receipt, unless a different time period is set by applicable privacy law. This applies to:
- Right to get his/her authorization for collection, use, maintaining, and sharing of (PII) prior to its collection; OR prior to any new uses or disclosure of previously collected PII.
 - Right to understand the consequences of decisions to approve or decline the authorization of the collection, use, dissemination, and retention of PII.
 - Right to withdraw his or her consent at any time.
 - Right to Access or get a copy of PII

- Right to Rectification
- Right to Erasure (Right to be forgotten)
- Right to Restrict Data Processing
- Right to be Notified
- Right to Data Portability
- Right to Object
